NOTES TO FINANCIAL STATEMENTS
for the year ended December 31, 2017

1. Summary of Significant Accounting Policies:

Company Activities – Signet Securities, LLC (the Company) is a broker-dealer registered with the Securities and Exchange Commission (SEC), the State of Ohio, and a member of the Financial Industry Regulatory Authority (FINRA). The Company shall continue in perpetuity unless it is dissolved or terminated pursuant to its operating agreement or involuntarily pursuant to any regulatory action. The Company is a wholly-owned subsidiary of Signet Finance Group, LLC.

The Company is engaged as a securities broker-dealer, which comprises several classes of services, including primarily investment banking. The Company's services include business acquisition advisory services, capital sourcing and funding for businesses, sales advisory services, and strategic advisory services.

Revenue Recognition – For investment banking services, contingent fee work is recorded as revenue upon closing of the transaction and funding of financing requirements by the buyer or seller. Non-refundable retainers charged at the beginning of investment banking services are recorded as revenue when the engagement letter is signed. Monthly retainers and hourly billings are recorded as revenue when invoiced.

Cash – The Company maintains its cash in deposit accounts, which, at times, may exceed federally insured limits. The Company has not experienced any significant losses in such accounts. Management of the Company believes it is not exposed to any significant credit risk on its cash.

Concentration of Credit Risk – The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

Income Taxes – The Company has elected to be taxed under the provisions of the Internal Revenue Code as a limited liability company. Under those provisions and similar provisions of state law, the Company does not pay Federal or State income taxes on its taxable income. Instead, the member is liable for individual income taxes on the Company's taxable income. Accordingly, there is no provision for income taxes in the financial statements.

The Company accounts for uncertainties in income taxes in accordance with accounting principles generally accepted in the United States of America, which provide for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return that have a greater than 50% chance of not being allowed under examination. No such positions have been recorded in the December 31, 2017 financial statements. If such positions were taken, the resulting interest and penalties would be recognized as income tax expense.

Signet Securities, LLC.

We have reviewed management's statements, included in the accompanying SEC Rule 15c3-3 Exemptive Report, in which (1) Signet Securities, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Signet Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) Signet Securities, LLC stated that Signet Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Signet Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Signet Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
